

Nylon Fasteners Ltd

Environmental Policy

This policy applies to all activities undertaken by Nylon Fasteners Ltd and impacts upon our suppliers and customers.

We are committed to minimising the environmental impact of our operations. In particular the packaging and distribution of our products, we will achieve this through our commitment to:

- comply with all relevant legislation and regulations;
- regularly review the environmental impact of our activities, endeavour to reduce our overall environmental impact and prevent waste using best practice techniques;
- involve employees in our environmental programme and provide necessary training to enable them to discharge their responsibilities;
- sustain a programme of continual improvement in environmental performance incorporating suitable measurement and monitoring mechanisms;
- work with our suppliers to encourage them to develop environmental best practice; and
- improve resource efficiency (including our use of water, energy and raw materials).

This policy is publicly available on request.
